LOCATION

Campbell Valley is quickly emerging as one of Langley's most promising areas for growth. Located in the Township's southern reaches, this scenic and increasingly connected community offers a compelling mix of rural charm, strategic accessibility, and active development. Its proximity to Campbell Heights Industrial Park, the U.S. border, and the expanding Fernridge area positions it as an ideal location for future investment.

STRATEGIC LOCATION

Campbell Valley benefits from its close proximity to Campbell Heights Industrial Park—one of Metro Vancouver's leading employment hubs—driving demand for housing and services in the area. With the nearby U.S. border offering direct access to American markets, the location is well-suited for both residential and commercial opportunities.

ONGOING DEVELOPMENT

The adjacent Fernridge area is undergoing significant transformation, guided by the Brookwood-Fernridge Community Plan. This framework supports thoughtful residential and commercial growth, further enhancing the long-term potential of Campbell Valley as a vibrant, future-ready community.

NATURAL BEAUTY & LIFESTYLE

Surrounded by rolling farmland, scenic trails, and protected green spaces, Campbell Valley offers a peaceful, nature-oriented lifestyle. Residents enjoy year-round recreation at Campbell Valley

A BALANCED OPPORTUNITY

Campbell Valley represents a rare balance of natural beauty, regional connectivity, and sustained growth—an ideal canvas for thoughtful development in one of Langley's most strategically positioned corridors.

PRIMARY RESIDENCE

The primary residence is situated on the western portion of the property and is a large custom home built in the West Coast modern design style with high vaulted ceilings and wood trim throughout. Originally built in 1999 it went through a significant renovation in 2012. The home features 5 bedrooms, 3 and a half bathrooms and a large open concept kitchen.

SECONDARY RESIDENCE

The secondary residence is the original home on the property. The home features 3 bedrooms, 1 bathroom and currently provides rental income through a tenant on a month-to-month lease.

BUILDINGS: HIP STYLE BARN

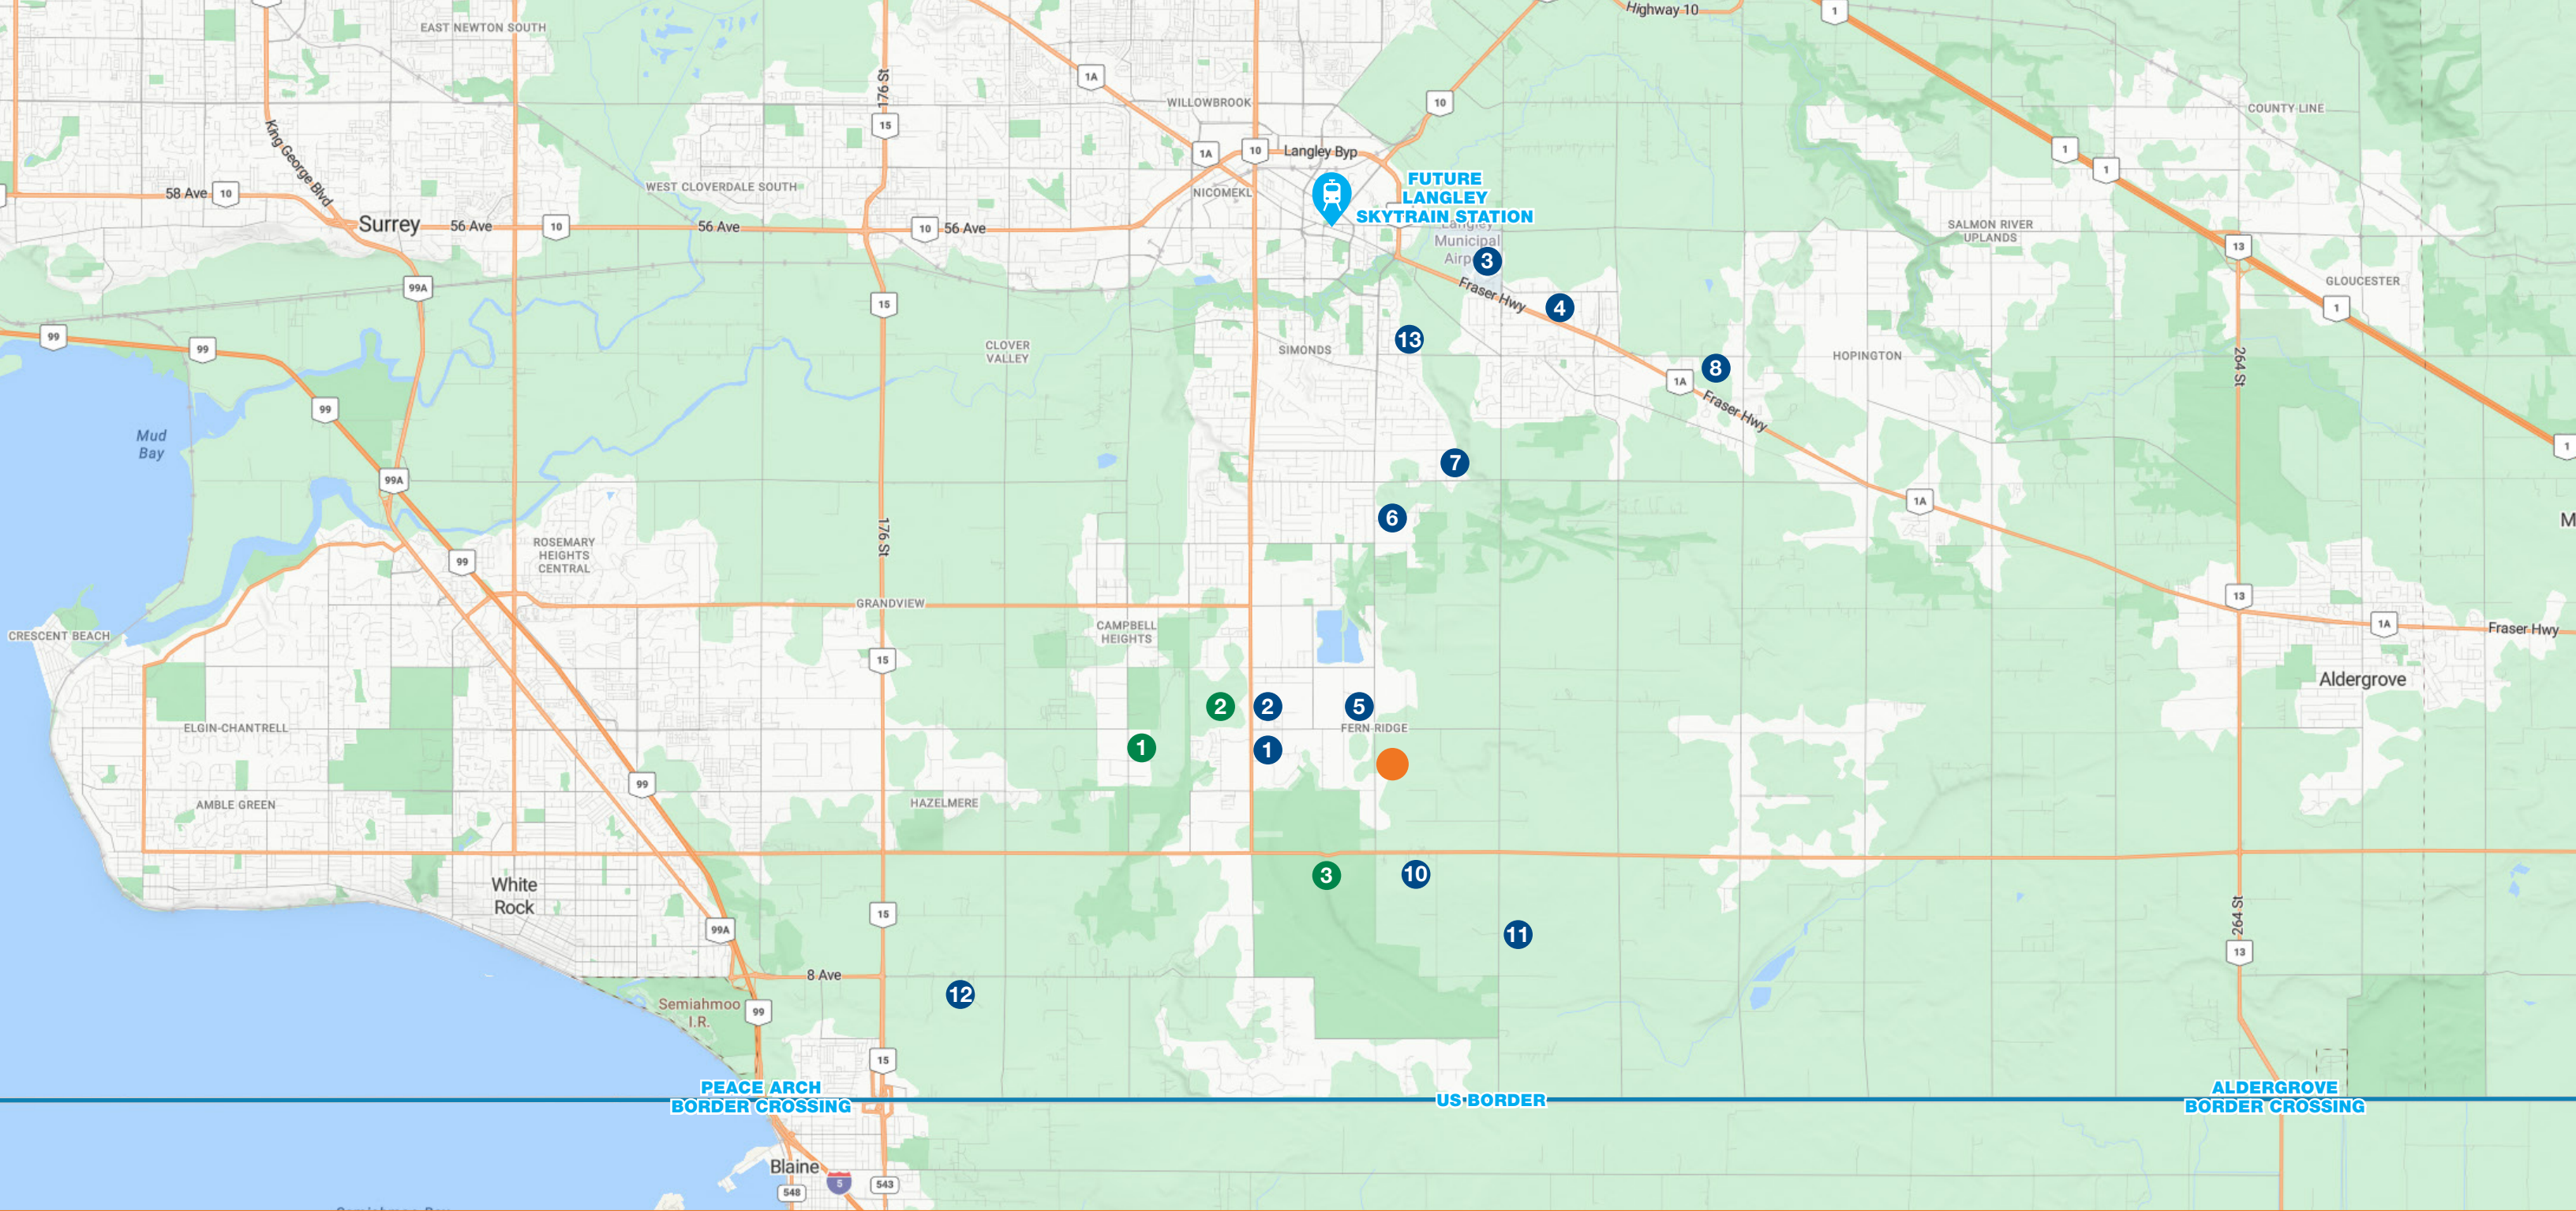

The hip-style barn, centrally located on the property, features multiple pens for smaller animals, several lean-tos, and an open hay loft. Originally built around the turn of the 20th century, the barn has been well maintained over the years, with a durable steel roof added to preserve its structure.

BUILDINGS: DAIRY BARN

The dairy barn is situated on the southern side of the property. It was previously used for milking cows and includes an attached, now-unused milking parlour and an office space. The barn is accessible via the main driveway, as well as a more southern secondary paved driveway off 208th Street.
